

Saving Maternal Lives
La Royal Hotel Amman-Jordan
12th & 13th December,2024

A Structured practical skills course for Trainees in Obstetrics and Gynaecology.

This two-day course is designed to introduce and enhance skills in safe surgical techniques and obstetric emergency clinical skills, in a structured workshop environment.

The course combined lectures followed by small group training sessions.

The course is taught by a dedicated faculty of consultants in OBGYN
